JL- You may find useful some of the duties DC police fink Binsted saidwere assigned him, like taping Sargent Shriver in a VISTA speech. This is a reminder for later. Source, Ron Kessler's today story, which managed not to refer back to the reporting of Binsted's career during Watergate. And the duplication of this activity with that of the Plumbers. I'd forgotten in saying that I was not an anti-war activist. To them I probably was, as a member of Writers and Editors Against the War, and in my public speaking on JFK's policies and in the introduction to PW. HW 2/15/75
